Class Specification

This is a class specification and not an individualized job description. A class specification defines the general character and scope of responsibilities of all positions in a job classification, but it is not intended to describe and does not necessarily list every duty for a given position in a classification.

Class Title	Permit Specialist
Class Code Number	3010

General Statement of Duties

Performs a variety of administrative and technical duties involved in providing assistance to the general public, and provides assistance and support to the City's Building Division staff; performs directly related work as required.

Distinguishing Features of the Class

The principal function of an employee in this class is to perform a variety of administrative and technical duties involved in providing assistance to the general public, and to provide assistance and support to the City's Building Division staff. The work is performed under the supervision and direction of higher level staff as assigned, but significant leeway is granted for the exercise of independent judgment and initiative.
